Logitech®

QuickCam Ultra Vision

Enjoy true-to-life video calls with twice the image clarity of conventional webcams. QuickCam® Ultra Vision's extra large, precision-engineered glass lens delivers superior image quality, while RightLight™ 2 Technology intelligently adjusts to back light, side light or dim lighting conditions. Conversations are crisp, clear and echo-free with the integrated microphone combined with RightSound™ Technology. The quick video preview button lets you see yourself before you join a video call. In addition, you can easily personalise your video conversations with Logitech Video Effects. The webcam's flexible clip fits on any monitor, notebook or tabletop. 2-year guarantee.

Benefits

- Precision-engineered lens for superior image quality
- RightLight™ 2 Technology for the best possible images regardless of your lighting
- Integrated mic with RightSound™ Technology for clear and echo-free audio
- Personalised video conversations with Logitech Video Effects
- Quick video preview button to see yourself before a call
- Windows® 2000 & XP; Vista ready (driver download when available)
- Documentation in English
- 2-year guarantee
- Full product support

- Snapshot button: taking stills is fast and easy
- Free HP Photosmart Essentials software to edit and print your photos (web download required)
- Activity light: Lets you know when you're "live"
- Flexible clip works with any monitor, notebook, or tabletop use
